Product name: **Baby Nooq Activity Chair**

Description:

Baby Nooq - a modular baby furniture that quickly becomes indispensable for your little family members. It grows with your baby - from a nest meant to protect, to an activity chair meant for play&learn experiences. Made only with soft and harmful materials, still easily cleanable, waterproof and breathable. The Baby Nooq-line consists of a Chair Base, a Rattle's Arch and an Activity Tray: all-in-one formula.
